The European Border Breakers Charts show the most successful new tracks by upcoming artists crossing borders in Europe. The ranking is based on airplay outside the artists' home countries, on the most influential European public radio stations. The European Border Breakers Charts indicate songs and artists crossing over in Europe.

The European Border Breakers Charts are based on airplay measured by Radiomonitor of 50 radio stations across Europe.

Presented by Eurosonic Noorderslag and EBBA.

Compiled by Radiomonitor.

Co-funded by the Creative Europe Programme of the European Union.

	grower
	decliner
